

Financial Results of St. William the Abbot Church for the Fiscal Year Ended 6/30/20

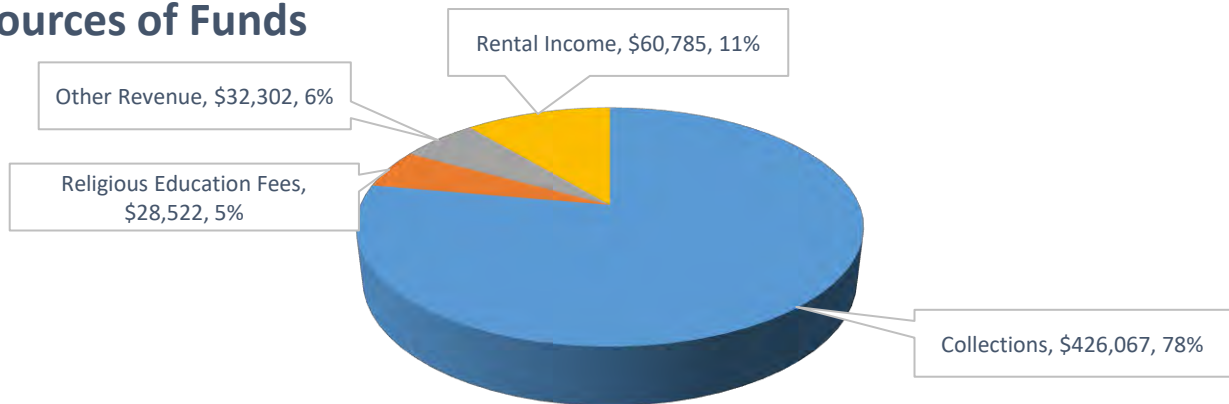

As required by the Diocese, presented below are the financial results for St. William the Abbot Church for the year ended 6/30/20. As you can see from the diagrams below, the Church depends primarily on the collections from our parishioners in order to cover our expenditures. During the past year, the funds received were **less** than the expenditures. **We were able to cover this year's deficit using previous years' reserves and money received from the Payroll Protection Plan (PPP).** In order to thrive as a parish, we ask all parishioners to prayerfully consider increasing your weekly contribution to St. William the Abbot.

Summary:

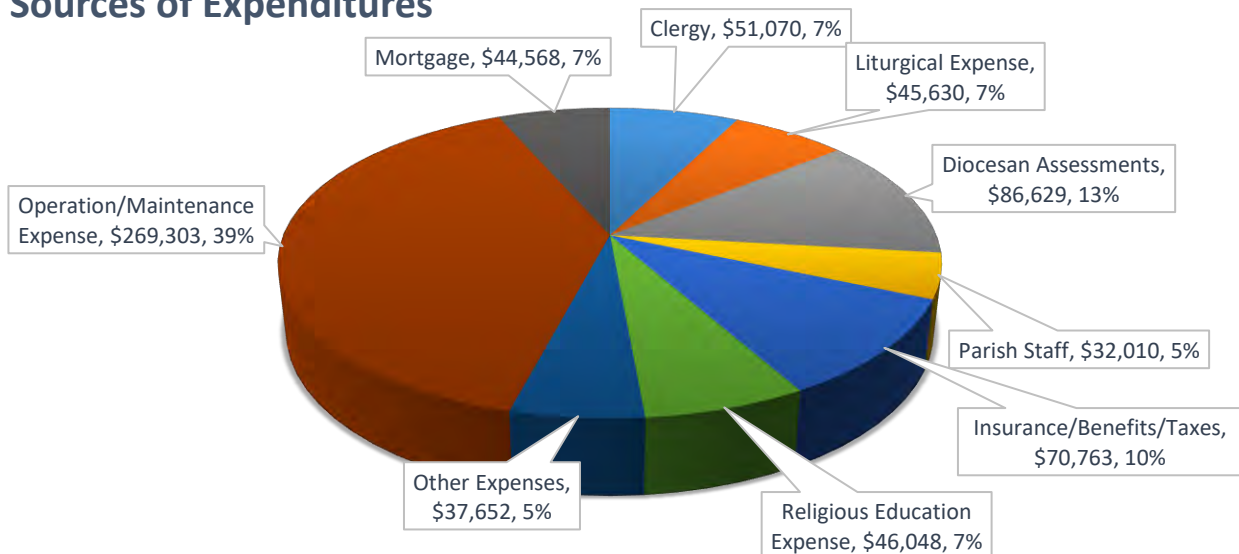

Cash Received: \$547,676
 Expenditures: \$683,672
 Deficit: \$135,996
